

Winwick Welcomes Walkers

Please park thoughtfully in our village

- Please do NOT park along the grass verge adjacent to the stream – we planted 2000 daffodils here in the Millennium
- Please do NOT park on the stone plinth in front of the War Memorial (looks like a bus shelter) – we spent £5,000 restoring the building and plinth in 2005

Where is a good place for Ramblers to park?

Follow the “No Through Road” sign from the crossroads. This is approximately north and opposite to the direction “Crick” shown on the sign. Go past the phone box and post box on your right. Go past the Hall and Rectory Cottage. At the top the road turn to the right. Go to the end and turn left over the cattle grid. There is a hard standing area immediately on your right suitable for parking courtesy of Winwick Hall Estate. [What3Words Link](#).

For more information on the village see www.winwick.org. Thanks
